PRINCIPAL'S REPORT

It all seems remarkably quick, but we are now approaching the half-way point of the year. (All you financial-world-types would no doubt be extremely busy tidying up loose \$\$ and cents and ticking boxes to get ready for EOFY!)

As usual we have a complex array of activities keeping us busy all the way up to the end of term, with debaters arguing, athletes running, chess players check-mating and dancers and choir singers practising. Even our environmental 'rangers' have been planting, weeding and recycling. Ironbark Ridge is such a busy place for all of our students!

Every Student...

Mark Scott, our NSW Department of Education 'CEO' has published a strategic plan to be implemented by all public schools over the next five years. I want to highlight a few of our key goals:

- *Every student is known, valued and cared for in our schools.*
- *All young people have a strong foundation in literacy and numeracy; deep content knowledge; and confidence in their ability to learn, adapt and be responsible citizens.*

There is so much to consider in working towards the achievement of these two (#2 and #5 of the ten) goals. Consider the different challenges faced by the vastly different schools and communities across our state...

Athletics Carnival

What a fantastic effort from Mr Brent, Ms Horsley and the entire Stage 2 teaching team who organised and ran our Athletics Carnival this week (Thursday). At 7am we arrived at the oval for set-up and with the rain clouds clearing and despite a thick layer of 'Rouse Hill Fog' descending on us for a while all races went ahead and our students performed extremely well. Our participation rate is phenomenally high and it is a great pleasure for us to run so many heats for each event. Seeing our Ironbark Ridge students just having a go and smiling all day is a great reward for the hard work that goes into such an event.

Apart from the 2.15pm showers that caught a few classes on the walk back to school following the event the weather was extremely kind to us. Special thanks to all parents and friends who visited and cheered our runners on during the day. You guys help create the supportive community atmosphere we love so much at Ironbark Ridge!

Late to school

I continue to see a large number of our students arriving at school very close to the 9am start time for learning. With stocks of our friendly '*Ridgy saw you were late to school today!*' cards running low I want parents to consider aiming arrival at school closer to 8.30am in order to beat the morning Ironbark Ridge Road traffic-jam. A teacher is on duty in the yard from 8.30am to supervise students.

School Zone penalties

Did you know that in a queue of traffic, no part of your vehicle can stop on any part of our pedestrian crossing? If caught, it will cost you \$439 and 2 demerit points from your license! What about parking across a driveway or on the footpath? \$330 and 2 demerit points! Please check out the updated penalties for common school zone mistakes made by drivers – included later in this newsletter (sponsored by Penrith & Blacktown City councils, but valid in the Hills Shire Council area as well!)

Holidays

From next Friday afternoon, 6th July, students will be on holidays. This is a time for them to relax and take a break from the routines and cognitive demands of the classroom. It is an ideal time for you to be together as a family, building bonds and experiences together. Students return to school on Tuesday 24th July for Term 3.

Enjoy your weekend, and enjoy the upcoming holidays with your wonderful children.

Nick Thomson
Principal

DEPUTY PRINCIPALS' REPORT

Amazing Learners!

We love having students come to show off their amazing learning to us in the office. It inspires us to see such great work happening in classrooms. This week, we had a visit from some amazing Year 1 readers – thank you to Mrs Ryan and Harrison, Sohil, Nethuki, Vinuk, Sahas and Tangyue for sharing your wonderful work with us!

Parents as Partners in Learning – Semester 1 Reports

As we progress through to the end of the term, we would like to take the opportunity to emphasise the importance of our parents and carers as our partners in the education of their children. Our parent/teacher meetings, interviews, shared phone calls and informal chats in the playground are all important times when we touch base with parents and family members so that we can plan for improved student outcomes and successes in many areas of their growth and development. Students will be bringing home their Semester 1 report on Tuesday 3rd July which details their progress and achievement. We encourage you to read through the report with your child and to celebrate their efforts and progress. To this end, our annual Parent-Teacher meetings are an opportune time to discuss your child's report and to share ideas for going forward. These have been scheduled for the first two weeks of Term 3. To make a time with your child's classroom teacher, simply log onto www.schoolinterviews.com.au and enter the code: **jm82j**. **Please make a note in your calendar of the time/day, as we may not be able to send reminders home.**

Whole School Assembly

Next week, we will hand out our eagerly-anticipated Cross Country ribbons from our school and Ridges Zone carnivals. We will also be awarding prizes for our K-2 Cross Country, and our Athletics Carnival. We will begin at **2pm next Wednesday, 4th July** in the hall. All welcome.

Semester 2 Leadership Induction

Student Representative Council

Our Semester 2 Student Representative Council leaders will be inducted into their roles on **Wednesday 25th July** during a special whole school assembly. If your child has been elected as an SRC representative for Semester 2, you will receive an invitation to this assembly next week.

Sporting Success

Congratulations to Harrison, in Year 3, for being awarded the Junior Boys Champion medal at the recent Ridges Cross Country. Harrison then progressed to the Sydney West carnival, where he came in 4th place, running 2km in 8mins, 13 seconds. Harrison will now compete at the NSW PSSA State Cross Country, to be held on Friday 27th July. Well done Harrison – we are very proud of you.

Nationally Consistent Collection of Data

All Government and non-Government schools across Australia are required to participate annually in the Nationally Consistent Collection of Data on School Students with Disability (NCCD). All Australian schools will collect data on their students who are receiving adjustments to meet additional learning and support needs in accordance with their obligations under the *Disability Discrimination Act 1992* and *Disability Standards for Education 2005*. This data will be provided to the Australian Government to assist in the development of a consistent, national picture of the education needs of students with disability. The data provided to the Australian Government by the NSW Department of Education and Communities is provided in such a way that it cannot be used to identify any individual student or school. General information about the national data collection can be found on the Australian Government Department of Education and Training website at <http://education.gov.au/fact-sheets-nationally-consistent-collection-data-school-students-disability>.

Have a great weekend.

Kerrie Pho and Kerry De Jager

KINDY CAPERS

As the end of term approaches we would like to congratulate Kindy students on their wonderfully successful first semester of school. The Kindergarten teachers are all very proud of the way the children have settled into school life and begun their formal learning journey. It is wonderful to see their excitement when they learn a new skill or achieve one of their personal learning goals.

Excitement is building amongst the children as we prepare for the arrival of our class chicks in Week 3 next term. Teachers are busy making space to house the incubators and enclosures and preparing fun activities to assist with our learning. During our Open Day celebrations, as part of Education Week, parents will get the opportunity to see the chickens in their child's classroom. Our farm excursion is also fast approaching and we are all looking forward to a great day of new experiences.

During busy holidays, it is sometimes difficult to find the time to practise reading, writing and counting. The children are keen to consolidate their knowledge and using environmental print can help. On roadsides, in coffee shops, shopping centres and in junk mail, magazines and newspapers there is an abundance of text for young learners to practise their skills. Slip a few pieces of scrap paper and some pencils into your bags and backpacks ready for when the opportunity presents.

Reports will be sent home in Week 10 and parent/teacher interviews will take place in Weeks 1 and 2 of next term. Interview times are currently open for booking. It is a great opportunity to touch base about your child's progress and build on the school and parent partnership.

Below are some photos of KT trying out the library computers, KW having a campfire experience, KG learning about halves with the help of fairy bread and KCB having a picnic.

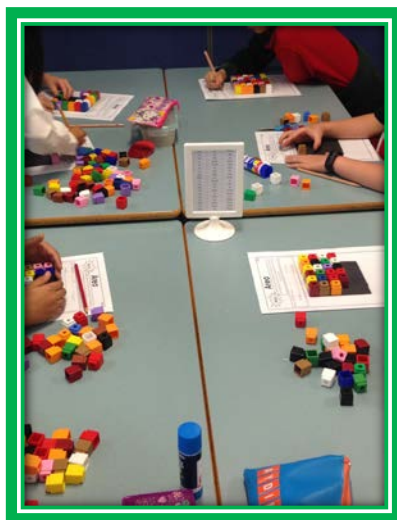

The Kindergarten teachers would like to wish our students and their families a safe and enjoyable holiday period. We are looking forward to another great semester of learning ahead.

ES1 Teachers

STAGE 1 SNIPPETS

As another busy and productive term comes to an end, it is a wonderful time to reflect upon the learning journeys undertaken and to celebrate the successes achieved by all students.

Students have enjoyed learning about the Australian Indigenous culture through our English studies, where they created artistic representations based upon texts they read or viewed, using narrative, visual arts, songs and dances to tell a story. Early next term, students will participate in an excursion to the Botanical Gardens and Sydney Opera House to consolidate their understanding of the concepts taught in the unit.

ISLAND

CRABS

Through a variety of science investigations our students have developed an understanding of light and sound. They loved the hands-on learning they engaged in throughout the unit this term.

Don't forget to book your timeslot for parent teacher interviews, which will be held during weeks 1 and 2 of next term. Interview bookings are currently being taken online, at www.schoolinterviews.com.au or through the link on the school app.

The holidays are a time for rest and recreation so that students return to school recharged and ready to tackle their personal learning goals in semester 2 with gusto! Wishing all students, families and teachers a safe and restful break.

Stage One Teachers

STAGE 2 SNIPPETS

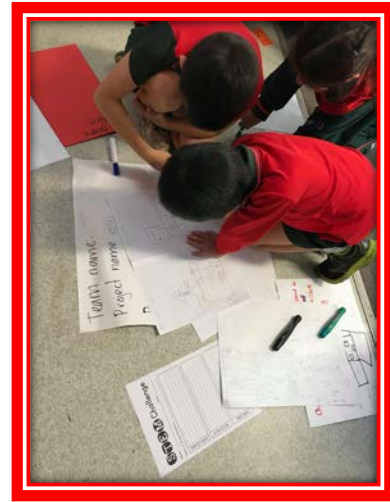

Year 3 and 4 students and teachers have had a fantastic Term 2, well and truly earning their upcoming 2-week holiday.

We've just completed the track running events from our athletics carnival and teachers were widely impressed with the efforts of our students as they raced their hearts out. The level of enthusiasm was wonderful as war-cries rang out across the oval. Also, a big congratulations goes out to 3F and 3DH, as well as to 4S and their Stage 1 buddy class 1R, for their fantastic assemblies lately. The students and parents were very impressed with the performances that showed how much effort those classes had put into their rehearsals.

Year 3 and 4 students have also been deeply engaged in their Science, Technology, Engineering and Maths (STEM) unit this term. Our aspiring architects, designers, builders, landscapers, town planners, and engineers, have been flexing their mental muscles for weeks as they design and build a solution any of the problems associated with a growing school or suburb. This unit of work has been incredibly engaging, and even more fun!

Year 4 parents are reminded that the OC test will take place on Wednesday 1st August.

Could all parents please check their student's pencil cases, as some items may need replenishing for the start of Term 3.

On behalf of all Stage 2 teachers, we'd like to wish all families a lovely holidays.

Have a great weekend!
The Stage 2 Team

STAGE 3 SNIPPETS

Well done to everyone who supported our community events this week – 'Beanies for brain cancer', the cake sale and our athletics carnival. It is wonderful to see the spirit and sportsmanship that our students display.

Our debating teams have been very busy over the previous weeks. The Premiers debating team had a win based on the topic 'Banning people from under 18 participating in talent shows' and won last week with Team 1 still undefeated and Team 2 following close behind. Many of our students are new to the debating arena. What an outstanding achievement.

In Stage 3, we are having an increasing number of issues around the use of social networking sites that are spilling into learning and school time. Our students are tech-savvy and are learning how to use social networking sites such as Instagram and Snapchat far quicker than we as parents and teachers can keep up with. Many of these sites have age restrictions and it is important that you are aware that, at times, the content is inappropriate or there is increased potential for contact with others who are not from their friendship group. An excellent site to inform yourself as a parent regarding some of these issues is the

Office of E-safety Commissioner where you can learn about the digital environment and how to help your child have safe and enjoyable online experiences include:

- **Staying involved**
- **Checking 'terms of use'**

- Being aware of age guidelines
- Setting rules
- Establishing safe personal profiles
- Establishing privacy
- Encouraging thinking first
- Promoting respectful communication
- Checking review sites

<https://www.esafety.gov.au/education-resources/iparent>. This government website is also releasing a role-playing video game called 'The Lost Summer in July' that is designed to be a highly engaging experience for 11-14 year olds while building digital intelligence skills and encouraging online safety. Another helpful site for parents that will support students in navigating safe internet usage is <http://reword.it>.

Students who are seeking leadership opportunities in 2019 are encouraged to attend formal training which will begin in Term 3. Our future focus will be individual and organisational leadership as well as to prepare for the nomination process.

Important dates will be outlined on the next term planner. Many of the leaders in previous years have been a wonderful support to our community. Another program that enables students to develop leadership skills is our Buddy Program – where our older students support their younger peers in the playground. If students would like to join this program they need to discuss their participation with Ms Hoggan.

Parent interviews have just been announced. It will be a wonderful opportunity to catch up with our parents and caregivers in Weeks 1 and 2 of Term 3. Please do not forget to book in your appointment time. If there are any issues with times available to you, please discuss with the classroom teacher. The Stage 3 teachers are looking forward to engaging with members of our school community.

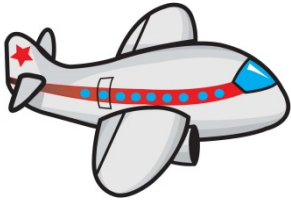

We wish each and every member of our school community a happy and safe holiday.
Stage 3 Teachers

STAGE 3 Teachers

CHINESE NEWS

Nǐmen hǎo! 你们好!

Just a reminder that the fundraising raffle for the students going to China has been postponed to Term 3. Thank you in advance for your support.

We have 21 students who will be leaving on the 21st of September for an amazing 2 week adventure in China including a two day visit to our sister school in Ningbo – Nine Dragon Lakes Primary School. The students will visit Beijing, Xi'an, Shanghai and Ningbo and experiencing The Great Wall of China, The Forbidden City, The Temple of Heaven, The Terracotta Warriors and the Pearl Tower.

What better way to learn about Chinese history, culture and to use the language skills they have learned so far.

Mrs Linda Przyrembel

Lost Property

This is a friendly reminder to check the Lost Property shelves near the Canteen if your child is missing clothing, hats, lunchboxes or drink bottles.

Next Friday, the Lost Property shelves will be cleared out and all unclaimed food containers will be thrown away. Unlabelled uniforms will be donated to the Uniform Shop.

PBL Fortnightly Focus

G'day IRPS community!

What an excellent term we have had being **SAFE, RESPECTFUL** and **RESPONSIBLE** students.

This fortnight's PBL focus is **RESPONSIBILITY** in the hall and during assemblies.

RESPONSIBILITY
in during assemblies

Sit in lines

Stay in your lines

Do your job

Be prompt

SAFE RESPECTFUL RESPONSIBLE

PSSA SPORT: TERM 3

STUDENTS PARTICIPATING IN PSSA TEAMS (EXCEPT NETBALL ARE REQUIRED TO BE A SCHOOL ON FRIDAY MORNINGS IN TERM 1 AT 8.45AM FOR AN 8.50AM SHARP DEPARTURE. IF STUDENTS DO NOT ARRIVE ON TIME THE BUS WILL NOT WAIT AND YOUR CHILD WILL NOT BE PARTICIPATING IN PSSA ON THAT FRIDAY.

Canteen Manager

SCHOOL ZONE OFFENCES

WHAT ARE YOU RISKING?*

Children are small, harder to see, behave unpredictably and are extremely vulnerable. They need **YOU** to take extra care when driving and parking around school zones.

No Parking

No waiting. You have 2 minutes to drop-off or pick-up. You must stay within 3 metres of your vehicle.

No Stopping

You must not stop on a length of road with a No Stopping sign. The first 10m from an intersection is a no stopping zone. Yellow kerb lines are also No Stopping zones.

Bus Zone

Only a public bus can stop in a bus zone.

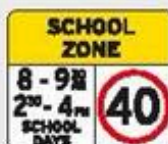

Mobile Phones

Extra fines apply for using mobile phones in a school zone.

May be subject to Double Demerits

Speeding Offences

40km/h is the limit. Children are vulnerable, so slow down in school zones.

May be subject to Double Demerits

Pedestrian Crossings

1. In a queue of traffic, no part of your vehicle can stop on a pedestrian crossing.
2. Do not let your child in or out of a vehicle at a pedestrian crossing as this is a No Stopping zone.

Driveways & Footpaths

Do not park on or across a driveway or footpath.

U turns

Illegal on or near a pedestrian crossing and across double white lines.

Double Parking

Double parking is illegal and is very dangerous in a school zone.

PENRITH CITY COUNCIL

*Fines current as of March 2018. Fines and demerit points are subject to change. For more information check out the NSW Centre for Road Safety website.

FOR MORE INFORMATION

email : Events@irpspc.com

The Event

Ironbark Ridge Public School is holding a **huge community fete** on **27th October 2018** and we invite you to be a part of it.

Sponsorship

We are looking for sponsorship to help fund our fete which will include rides, performances, stalls and entertainment. There are several ways you can sponsor our fete.

The School

Ironbark Ridge Public School's motto of "Strength, Respect & Excellence" encapsulates the values that underpin the culture of the school. IRPS is located on the corner of Ironbark Ridge and Withers Roads, Rouse Hill, one of the busiest roads in Rouse Hill, with several schools and sports grounds located on it.

Currently there are over 900 students from approximately 600 families enrolled at the school. Our school is next door to Rouse Hill High School and many of our families have children in both schools. These families create a strong demographic and have consistently proven that they are extremely supportive of and involved in the day to day running of the school, while being active members of the community.

LACES GO PLACES | Over the weekend of 30 June and 1 July Hills Basketball Association will be holding a Shoe Drive for "Shoes for Planet Earth".

Where: Hills Basketball Stadium, Fred Caterson Reserve, Caterson Drive (off Gilbert Road), Castle Hill.

When: Sat 30 June 9am-7pm * | Sun 1 July 9am-4pm

What to bring: Pre loved second hand Basketball and Sports shoes. Plus a gold coin donation to assist in transporting.

* Drop off your shoes between 4pm-7pm on Saturday 30 June & receive FREE entry to Hornets vs Panthers (Women at 5pm, Men at 7pm).

The shoes will be given to two amazing organisations, both work tirelessly to support communities through Basketball and sports programs.

Brian Kerle Basketball - conducts programs for Aboriginal and Torres Strait Islander to assist in the development of basketball, education & employment. <https://www.briankerlebasketball.com/indigenousclinics/>

Ramingining School - located in the Northern Territory - Ramingining is an idyllic, culturally rich Indigenous community. <http://www.schools.nt.edu.au/ramingingin/site/>

HOW CAN YOU HELP?

1. Donate your shoes (no holes, good soles and clean) and tied together, plus a gold coin donation.
2. Get the word out to your friends and family to start collecting shoes - remember we need shoes in good condition (no holes, good soles and clean) and tied together.
