DATES FOR THE DIARY

SEPTEMBER

26th – Whole School Assembly

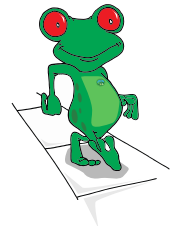

28th – **NO PSSA, LAST DAY OF TERM**

27th – Debating Team 1 v Team 2

*** Subscribe to our 'Ironbark Ridge – Events' Google calendar (see the app or the school website)*

PRINCIPAL'S REPORT

Today's Year 6 Fun Day was a roaring success! Our students in Years 5 to Kindy had a great time playing, competing, eating and making... and throwing wet sponges at me! Congratulations to our Year 6 students for their organisation and leadership skills. Thanks also to their teachers and Mr Ian for working so hard in the lead-up to the Fun Day.

Book characters

Last Wednesday's Book Character Parade and Grandparents Day was a wonderful event, supported hugely by you, our community. Seeing and hearing stories about the shared reading going on in classrooms was really encouraging. I hope you use opportunities like this each year to spend time yourself modelling good reading habits. Maybe consider the idea of an evening routine for one night each week where a good book and a cosy seat replace the lure of the TV!

Learning... a second language

By now our Ironbark Ridge China Tour 2018 group of 20 students will be in Beijing, confronted by the stark reality that everyone around us speaks a different language!

At Ironbark Ridge we believe strongly in the benefits to our students of learning a second language. There is much research and evidence to support this view. One quickly *googled* newspaper article lists 'seven cognitive advantages' that bilingualism offers the learner.

<https://www.telegraph.co.uk/education/educationopinion/10126883/Why-learn-a-foreign-language-Benefits-of-bilingualism.html>

For us at Ironbark Ridge, we want to see our students taking learning risks and developing a range of strategies for when they *don't know*. Learning a second language, like Mandarin Chinese, can provide real opportunities for our students to climb down into the *learning pit* and practice these *effective learner qualities*.

SBS (the TV channel) is currently running a competition for students who speak or learn a second language. See later in the newsletter for details from Ms Przyrembel, our language lead-teacher, about this fun and creative opportunity.

Science & Technology

In 2019 we will welcome the introduction of a new and improved Science and Technology K-10 syllabus, developed in NSW to match the Australian national curriculum. At Ironbark Ridge we have an enthusiastic and knowledgeable team of teachers who will oversee this change. It's a wonderful opportunity for us to examine our current practices and impact on student growth in scientific skills K-6. We have made recent additions to

our learning resources from Telstra (thanks for the coding kits we won this year ☺) and from the NSW Dept. of Education through the *STEMShare* program (Stage 3 will have a lot of fun in Term 4 with these kits), and we are making further purchases using your 'Technology Levy' contributions this year. Our Year 6 students have recently completed an online assessment of their Scientific knowledge and skills called the VALID test, and results from this will be used to inform our whole-school decisions about Science and Technology learning K-6.

NAPLAN

Parents of Year 3 and Year 5 students will this week have received the envelope with their results. Our school completed the NAPLAN in 2018 on paper, a point worth noting given the media discussion about comparisons between paper and online versions of the test. Please read and consider your child's results in light of the fact that NAPLAN provides only one measurement, on one day. Your child's teacher is far more able to give you a reliable picture of their academic, social and physical growth and progress against the curriculum benchmarks. In the brief time that school staff have had online access to the whole-school picture from 2018 NAPLAN, we are very pleased with ongoing growth and achievement in many areas. Of particular note is the improved performance of our students as a whole in the area of Spelling... a success we attribute to the learning program you all helped us to implement over the past three years. I'll discuss our school performance in more detail early next term once we've had more opportunity to 'digest' it all ☺

Class Contact email list

As we have had a *few* new students and their families join our Ironbark Ridge community since Term 1 it is important to note that we operate a 'Class Contacts' system to help communicate a range of classroom and whole-school email messages. Each class has a generous and hard-working parent who has the task of passing on emails from classroom teachers, the school admin office and even our P&C. If you are not on your class email list, please email the school office at: ironbarkrg-p.school@det.nsw.edu.au and let our wonderful office staff know. They will email your details on to the relevant parent and you'll be added to your class contact list(s).

Website change

You should notice a change to our school website. Note the new website address/URL, although the old address will still work as it currently 'forwards' you on to the new address. A new platform to host and manage the website is being used by the Dept of Education and unfortunately it went live on Thursday this week, 20th Sept. As several key members of the school executive are in China at present, we could, potentially, experience some problems with the connection and functionality of our school app. Presently the app 'harvests' information off the school website, and this link may not work as usual. Please be patient and we'll get everything back in order during the upcoming holiday period ☺

<https://ironbarkrg-p.schools.nsw.gov.au/>

Parenting ideas

This week your Class Contacts will email/forward-on an invitation for you to register your interest in an upcoming set of parenting lessons, designed and delivered by the staff of 'Learning Links'. This parenting course is designed to equip and upskill you in managing behaviour from your children using the *123 Magic* suite of strategies. I encourage you to consider attending, regardless of the level you feel your skills are at. We can all grow and improve the positive impact we have on our children's development.

With holidays approaching I would like to pass on all the best to your families from the staff at Ironbark Ridge. We know what a fantastic community you are and greatly enjoy working amongst you, feeling privileged to be a small part of the lives of your amazing children.

Remember that school starts back for students on Monday 15th October as Term 4 has School Development Days at the end of the year.

See you all then... rested and ready for a big Term 4!

Nick Thomson
Principal

DEPUTY PRINCIPALS' REPORT

Fun Day!

Congratulations to our Year 6 students and teachers for a fantastic Fun Day yesterday. Our students had a terrific time participating in all the activities and raised around \$1500 which will go towards their end of year festivities. Thank you to our Ironbark community for supporting our Year 6 team.

Kindergarten 2019

Our Kindergarten teaching team presented an informative and insightful presentation last week to our 2019 Kindergarten parents.

With Term 3 almost over, we would like to remind parents that enrolments for Kindergarten 2019 are now due to be returned to school. If you live in our school catchment area and have a child who will be starting Kindergarten next year, please visit the front office or our website for an enrolment form. This will ensure the school can maintain places for all our in-area students and account for them in our planning for Orientation programs. Please see the school website calendar and attached parent planner for our Kindergarten Orientation dates.

Parents, you can use the School Finder website <https://education.nsw.gov.au/school-finder/index> to locate your local primary school, as the catchment area for Ironbark Ridge PS has recently changed.

North Kellyville Public School

The new North Kellyville Public School is due to open for Term 1, 2019. New parents and families in the catchment for this school are encouraged to attend the consultation meeting, which will be held in the IRPS school hall **next Tuesday evening, 25th September, at 6.30pm**. Enrolment enquiries can be made by emailing the school: northkellyvillepublicschool@det.nsw.edu.au.

Tell Us What You Think

All parents are encouraged to complete the 'Tell Them From Me' survey. The parent survey helps to clarify and strengthen the important relationship between parent and school. The survey is designed to measure, assess and report insights from the parent point of view at the school and system levels.

<https://nsw.tellthemfromme.com/irps18>

Regular Attendance and Punctuality

Daily school attendance is important for all children to succeed in education. Students are expected to arrive at school by 9am to maximise learning and minimise disruption to classes. Attendance rolls are marked daily at this time. Student supervision in the school playground commences at 8:30am, we do not encourage students to arrive before this time. If your child is going to be absent for any reason, a written note to the school is required. All students need to be signed into the office by an adult if they are late to school. The school day finishes at 3pm and students are dismissed. If you are unable to collect your child at 3pm, a phone call to the school is required to inform the administration

staff of the arrangements you have made for your child. Teachers are required to be at meetings and professional learning events from 3pm and are not available for after school supervision. At Ironbark Ridge PS we are fortunate to have a before and after school care program (KTOOSH) for those families who need to have care for their children outside of school hours. We encourage those families who are experiencing difficulty in collecting their children at 3pm to make arrangements with KTOOSH, to cater for the unexpected traffic that can occur near the school. Applications and information can be obtained from www.ktoosh.com.au

STUDENTS WHO ARE LATE WILL -

- MISS the important social interactions with friends before the bell that can relax them and set them up positively for the work day ahead.
- MISS the start of lessons so that learning becomes disjointed and difficult.
- MISS the morning greetings, messages, roll call, lunch orders, collection of notes and monies etc.
- distract other children when they arrive and interrupt the momentum of the group.
- receive unnecessary attention that may make them feel uncomfortable or embarrassed.

{ It's not OK to be late! }

Kindy Capers

What a wonderful few weeks we have had in Kindy! We are all ready for a well deserved rest.

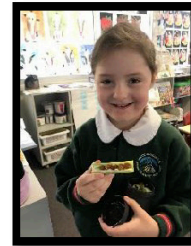

Kindy were so excited to participate in their first Book Character Parade. The students proudly paraded their amazing costumes in front of a large crowd. It was delightful to welcome so many grandparents into our classrooms to share their love of reading with their grandchildren. Thank you to those parents and grandparents that shared their time with other children who did not have a visitor. It was a really special time.

KCB have been participating in Fruit and Veg'tember. Some students have been creative with their fruit and veges.

Nuwaan made a car.

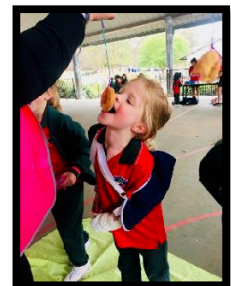

Abigail made ants on a log.

Congratulations to Kindy Gruffalo and Kindy Wombat's who did an amazing job hosting their very first assembly at Ironbark Ridge. Thank you to everyone that came along to watch. KB & KM, KP & KS and KT & KCB are already rehearsing for their assemblies that will be held next term.

Kindy loved their first Year 6 Fun Day yesterday. Some students threw wet sponges at Mr Thomson, others iced cookies, drank spider drinks, posed in the photo booth or played carnival games. The school was a hive of excitement and the students really enjoyed it.

This will be the last newsletter for this term. We hope you have a safe and restful holiday before we embark on our last term of Kindy.

STAGE 1 SNIPPETS

The term is flying by and Stage One have been incredibly busy!

Thank you to everyone that came along to show their support for our Grandparents Day and Book Character Parade in Week 8. It is always lovely to see all the generations of our families come together at school to view the wonderful learning that happens in our classrooms and be part of such a special day. We enjoyed seeing the wonderful book character costumes of our students and of all our teachers!

Year 1 and Year 2 dance groups attended the Orange Blossom Festival last Sunday and represented Ironbark Ridge beautifully. It was a delight to watch our amazing little stars proudly perform their dances that they have been working hard over the past 6 months. We would like to thank all our parents that supported this opportunity and found the time in your busy weekends to support and cheer on our Ironbark Ridge dance groups.

As we near the end of another term, it will be time to think about re stocking your child's pencil case in the holidays in preparation for our last term for 2018. Topping up your child's pencil case with glue sticks and other stationary essentials will give your child the tools they need to complete the tasks allocated each day.

Stage One Teachers

STAGE 2 SNIPPETS

Another fantastic term for learning has almost come to an end. Stage 2 students have crammed in so much in the last 9 weeks! They have challenged themselves in maths problem-solving groups, created dramatic, musical and dancing masterpieces rotations and tested their physical strength and fitness groups. The children have all enjoyed these lessons and we will continue them in term 4.

in CAPA
endurance in
Monday

**All children are required to wear full sports
Mondays and Fridays again next term.**

uniform on

During the school break, we ask that you stock up on all your child's school supplies. Please check that your child has the necessary stationery items, especially lead pencils, scissors and glue. Please also take this time to label all school uniform items as well as drink bottles and lunch containers.

The Stage 2 end of year picnic day has been set for December 17. We will be taking the children to Reading Rouse Hill to watch a new release movie and enjoy a sizzle lunch at school afterwards. More details will be term and payment will be included with term 4 invoices.

Monday,
Cinemas at
sausage
available next

This Saturday is a very special day for Miss Bartholomew (3BFG) as she gets married. We wish her and her husband a wonderful day and a lifetime of happiness. We look forward to meeting the new Mrs Knights in term 4.

The Stage 2 team would like to thank you for your support during term 3 and wish you a relaxing spring break.

STAGE 3 SNIPPETS

It's been a very busy couple of weeks as we head into the final week of Term 3. Year 6 have been planning, organising and preparing for their Funday fundraiser on Thursday. What a huge success! All Ironbark students had a great day participating in a variety of activities including sports, games, photo booth, popcorn at the movies, as well as indulging in some wonderful food and drinks. A huge thank you to all the parents/caregivers who have made contributions towards making this day such a success.

Stage 3 teachers and students are being introduced to several different robotic activities with the recent arrival of STEMshare kits. Everyone will be engaging in programming and coding the Ozobits and Micro-bits to carry out various commands. We look forward to using the Stemshare kits more in Term 4.

Summer PSSA commenced last Friday. We have students participating in Softball, TBall, OzTag, AFL and cricket. Please make sure your child/ren knows when training takes place as it varies from sport to sport. If they are unsure, students need to discuss training with their coaches.

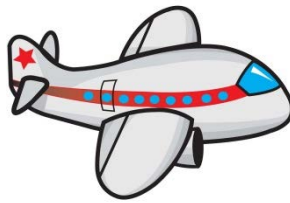

Last week saw students and teachers dress up as a literary character for Book Parade. The students went to amazing lengths to dress as their favourite book character with costumes that were out of this world! All Stage 3 teachers dressed up in our Harry Potter theme. It was also great to see so many grandparents come along to the classrooms, with some reading to the entire class.

Enjoy your holidays. We look forward to an exciting, yet busy Term 4.
Stage 3 Teachers

CHINESE NEWS

Chinese News!

Nǐmen hǎo! 你们好!

We are off to China this Friday! The time has come around so quickly. The students are very excited and maybe a little nervous but we are looking forward to an amazing adventure! They'll tell you all about it when they get back but if you would like to see what we are up to while we are away, we are hoping to upload pictures to our school website.

SBS National Languages

Competition

SBS has launched the **SBS National Languages Competition 2018** to encourage and celebrate a love of learning languages in Australia. For the first time, the competition is open to Australians of all ages who are learning a language, including those learning English. To enter students need to present a photo, drawing or collage with a caption that explains how learning a language can open doors for them in the future. It could be connected to Chinese or a family language and could show things like job opportunities, travel, connections with other cultures or family history.

Students will compete in Group A (4-7years) or Group B (8-12years). The competition doesn't open till after the holidays but in the meantime students can start preparing their submission. If they would like more information you can go to <https://www.sbs.com.au/radio/national-languages-competition-2018>

Mrs Linda Przyrembel
Chinese Teacher K-6

PSSA SPORT – TERM 3

STUDENTS PARTICIPATING IN PSSA TEAMS ARE REQUIRED TO BE AT SCHOOL ON FRIDAY MORNINGS IN TERM 3 AT 8.45AM, FOR A 8.50AM SHARP DEPARTURE. IF STUDENTS DO NOT ARRIVE ON TIME THE BUS WILL NOT WAIT AND YOUR CHILD WILL NOT PARTICIPATE IN PSSA ON THAT FRIDAY.

WEEK 10

PBL Weekly Focus

G'day boys and girls!

Once the school day is over all we're exhausted from the learning and fun we engaged in during the day. So, it's important that we're being responsible after school to ensure that we get home safely.

Once the 3pm bell has gone, or when we're in the bus lines we need to make sure we are following instructions and are in the right place, at the right time.

RESPONSIBILITY

after school and in the bus lines

Follow instructions

Right place, right time

Sydney Technical High School

INFORMATION MORNING

Prospective Year 7 Students 2020

Tuesday 16 October 2018

at 9.15am in the School Auditorium

Sydney Technical High School, established in 1911, has a proud tradition of student achievement. The school prepares young men who are scholarly and socially responsible. Features of the school include languages, music, visual arts, debating, public speaking and sport. Teaching and learning programs feature higher order thinking and are recognised as best practice in gifted education. The school actively promotes an environment in which student welfare, tolerance of others and strong community values support each student reaching his potential.

Enrolments: Students seeking entrance into Year 7 must participate in selection procedures organised by the Department of Education. For further information contact the High Performing Students Unit on 1300 880 367 or email: ssu@det.nsw.edu.au.
