PRINCIPAL'S REPORT

Celebration & Thanks: A Year's Learning

On Tuesday 10th December we will hold our two assemblies to recognise and celebrate the wonderful learning and growth that has happened across Ironbark Ridge in 2019. As usual we will be in the Rouse Hill HS hall, and the K-2 and 3-6 assemblies will be held separately due to the time it takes to recognise each of our 38 classes.

On Wednesday 27th November we will hold a special morning tea celebration to say *Thank You* to all of the parents and carers who have supported our school through volunteering in classes and at activities, including P&C events and fundraisers. The Ironbark Ridge Learning Community play a vital role in ensuring our students feel connected and cared for, as well as emphasising the importance of education in each student's life. Communicating and committing to high expectations is only possible with a partnership approach between the school and the parents.

If you have not yet managed to subscribe to & sync the Google Calendar "Ironbark Ridge – Events" to your mobile devices, please try this link:

<https://calendar.google.com/calendar?cid=aXJvbmJhcmtyaWRnZXB1YmxpY3NjaG9vbEBnbWFpC5jb20>

Targets and goals

There is much evidence and argument supporting the positive impact of setting ambitious goals. They help to focus our energy, efforts and resources in one long-term direction (vision) while helping us to define the short-term steps we must make in order to stay on the path.

All DoE schools in NSW are currently analysing our respective students' academic, wellbeing and attendance data to set aspirational targets for coming years. Developing realistic yet achievable goals is a SMART thing to do (see diagram at right).

We recognise of course that setting (even SMART) goals is never enough. I'm sure every team in our favourite sporting competitions begins the 'pre-season' with the 'target' of winning the premiership, however only one team is able to achieve this! There must be more to it than simply setting the goal then trying hard. All teams do that.

What makes the difference is the small steps we take every day; the discipline we exercise, our motivation to risk and to challenge ourselves, the incremental improvements we make to our habits and routines to make them more automatic and thus efficient. Small change each day will compound into large growth over a year. That team wins the premiership!

We have an exciting vision at Ironbark Ridge: *Nurturing personal growth through inspired learning*

Our goal is for every student, every teacher, (every parent) and every class to make more than one year's growth every year. In some areas this is specific and measurable (eg. Reading levels), however in other aspects of schooling we are seeking better tools and methods of data collection and analysis. Stay tuned, because we need your assistance in this ☺

The Learning Journey (using our *Successful Learner Habits*)

Ridgy the Frog, along with all learners at Ironbark Ridge, is on *The Ironbark Way* towards personal growth. Unfortunately, learning can be a difficult journey with many obstacles and challenges in front of us to climb and traverse. As we have now taught all 12 Successful Learner Habits to our students, their metaphorical backpacks are now full of tools to use along the way. Over the coming years we will continue to practise and hone our efficiency and skill with each Habit. All learners can benefit greatly from habitualising the expert use of these 12 tools. Yes, even you, the parents and community members of Ironbark!

Here's the list for you to consider:

<i>Focus</i>	<i>Observing</i>	<i>Thinking-Monitor</i>
<i>Persistence</i>	<i>Questions</i>	<i>Feedback</i>
<i>Courage</i>	<i>Connections</i>	<i>Collaboration</i>
<i>Self-Reliance</i>	<i>Goal-Setting</i>	<i>Empathy</i>

Uniform ordering... online

Our amazing P&C team of *Uniform Shop* volunteers work tirelessly on each week to ensure you are able to purchase the required items to keep your children clothed in Ironbark Ridge gear. Online ordering is available for your convenience at this link:

<https://ironbark-ridge-public-school-pc-association.square.site/>

Attendance

As school attendance is directly related to academic achievement (and compulsory!!), please read the discussion in our Deputy Principals' Report for this week. We need to work together with you, the Ironbark Ridge community, to improve our 'partial absence' rates.

Bushfire Relief: Ironbark donations

Thank you once again to our amazingly generous Ironbark Ridge community for the overwhelming response. Our Staffroom is full of much-needed toiletries, personal care items and non-perishable food for our fire ravaged friends on the mid-north coast of NSW. Perhaps a road-train will be needed to transport the amount of donations but rest assured we'll make sure it gets to the destination this weekend. Thanks especially to the Yates family ☺

Yours in lifelong learning,

Nick Thomson
Principal

DEPUTY PRINCIPALS' REPORT

Remembrance Day

Monday 11th November marked 101 years since the Armistice was signed to end World War I — a conflict that claimed the lives of 60,000 Australians. Our school leaders and staff conducted a service to remember and commemorate those who have served and died in war and armed conflicts. A big thank you goes to Sergeant Watson for delivering an informative and heartfelt speech. All students who attended showed their utmost respect for the occasion. A special thank you to Mrs Barton and the committee for the organisation of this important commemoration. Lest We Forget.

Kindy Orientation

During the past few weeks, our staff and our student leaders have had the pleasure of welcoming our new and current families and their children into our school community. The 2020 Kindy students have now completed their third and final visit. We are impressed with how quickly they have settled in and enjoyed their initial experience at school. Parents attended the information sessions and had the opportunity to ask questions to support their child's transition from preschool to primary school. As a school community, we welcome our new families and students.

Saying Thank You to our School Volunteers

On behalf of all staff and students, Ironbark would like to thank all of our amazing volunteers who have assisted throughout the year. Your passion, expertise and effort to support our school and students to flourish is highly valued and most appreciated. To recognise your contribution, we will be hosting a Thank You Morning Tea on **Wednesday 27th November at 11 – 11:30 am**. It will be an opportunity to thank you for your support throughout the year.

Caring Beyond Our Community

Our best wishes, support and deep gratitude go to the many firefighters and volunteers who have worked tirelessly to keep our country safe. As a school community we extend our deepest sorrow and condolences to the families who have lost family, friends or property. Mr and Mrs Yates have very generously planned and will deliver the donations to those in need on the Mid-North Coast. The generosity of our students, teachers and fellow Australians is something to behold. It is wonderful to be a part of such a fabulous group.

Feeling Safe

Over the past week, we have been presented with distressing news as our fellow Australians have been deeply impacted by tragedy and devastation presented in the media due to the relentless bush fires experienced throughout rural NSW and Queensland. If you have noticed that this has affected your child's feeling of safety, there are some tips we can take to support their emotional wellbeing. Children will take cues from the adults in their lives. If we show fear and nervousness, children tend to mirror these emotions. Try to stay calm and reassure your child by focusing on the positives such as "we are all safe". Our teachers are well-equipped to support students in the classroom when heightened events such as bushfires occur, even if they do not directly impact on our immediate community. Their care and support of your child is paramount. If you are at all concerned, please do not hesitate to contact your classroom teacher.

Traffic

Parents, we understand how stressful it can be on Ironbark Ridge Road, particularly around 3pm. However, it is difficult to justify the dangerous and unlawful driving behaviour we unfortunately witness on a daily basis. Please, never encourage your child to walk through traffic to get into your car whilst waiting in the queue. You must be parked legally to pick up or drop off your child. We also ask that you use the pedestrian crossing to cross Ironbark Ridge Road, rather than cross in between parked cars and cars in the traffic. When crossing, please follow Kim's instructions and wait to cross when she indicates it is safe. For your child's safety, and the safety of all of our students, it's very important we model the safe and lawful behaviour at drop off and pick up times.

Road safety

Keeping your children safe when dropping off and picking up at school

Here are a few things you can do to help keep your children and others safer during drop-off and pick-up times during the school week:

- Make sure your children are fastened in the correct child car seat for their age and size and that it is fitted correctly.
- Stick to the 40km/h speed limit in a school zone and look out for children who may be about.
- Watch for flashing lights on buses. They let you know that there may be children crossing or about to cross the road. A 40km/h limit applies when school bus lights flash.
- Always give way to pedestrians particularly when entering and leaving driveways.
- Always park and turn legally around schools. Manoeuvres such as U-turns and three-point turns are dangerous during busy school drop-off and pick-up times.
- Drop your children off and pick them up on the school side of the road in your school's designated drop-off and pick-up area. Never call out to them from across the road – they may run to you without checking for traffic.
- It's safest for children to get out of the car through the Safety Door, away from passing traffic. This is the rear footpath side door of the car.

For more information on keeping our kids safe around schools visit the parents section on safetytown.com.au

Lives lost on NSW roads.
Our goal is zero.

Attendance Concerns

Running late or partial absences have become a significant issue when analysing our attendance data. We have identified this as a goal for moving forward in 2020. All students need to be at school ready to start their learning before 9 am. Please consider the traffic conditions and allow enough time to navigate the busy roads.

Wishing you a wonderful weekend,

Kerrie Pho and Kerry De Jager
Deputy Principals

ADMINISTRATION

Please see an updated Hills Bus timetable at the end of the newsletter which is effective from Monday 18h November.

If your child/children will be returning to school after the start date of 29th January or leaving Ironbark Ridge to go to another school, could you please complete the form below and return to the office as soon as possible.

My child _____ Class _____

My child _____ Class _____

My child _____ Class _____

Will not be returning to Ironbark Ridge PS next year.
Destination School _____

Will be returning late. Date returning _____

Parent or Caregiver Signature: _____

a community of safe, responsible, respectful learners

Allison Batten
School Administration Manager

Kindy Capers

As the year rapidly draws to a close our Kindergarten classes have been enjoying their first opportunity to host and perform at assembly with their buddy classes. This week Kindy Noosa have entertained everyone with 3K and next week (20/11/19) it will be Kindy Woombye's turn to impress us all with their buddies 4I. Assembly is on Wednesday afternoons in the hall and starts at 2:20 pm.

In English this term Kindergarten have been learning all about fairytales and their features. We've been imagining settings in kingdoms far, far away, with villains and heroes as well as enjoying fractured fairytales which give our stories a twist and include a heroine or two.

Here are some of our fairytale inspired artworks to enjoy.
Can you identify the fairytale?

ES1 Teachers

Stage 1 Snippets

We have officially reached past the half way mark of Term 4 and our learning is still full steam ahead.

Drop off

We encourage all parents to help build their children's resilience by saying goodbye at the gate and allowing their child to independently begin their school day.

In our classrooms

It is so rewarding to see our Stage 1 students engrossed in their hands-on mathematics lessons. Although these lessons may not be quiet, the students' mathematical conversations are proof that they are engaged and on task.

Some incredible Remembrance Day artwork from our Stage 1 artists.

Students across Stage 1 are currently learning about Forces and Energy in Science. Students are loving creating different machines. A big thank you to all the parents who have allowed their child to bring in some things from home to ensure our experiments are successful.

Keep up the great work Stage 1! Your teachers are very proud of your hard work.

Stage 1 Teachers

Stage 2 Snippets

Term 4 is halfway through, the end of the year is in sight, and Ironbark's Stage 2 teachers are all impressed with just how hard our students have been working in 2019.

Assembly

A big congratulations goes to 3 Kerang, and their Kindy buddy class K Noosa, on their delightful assembly this week. They clearly worked very hard learning their lines and everyone enjoyed their delightful Growth Mindset musical performance.

Celebration of Learning Day

Ironbark Ridge's Celebration of Learning Day is happening on the 10th of December. Talented volunteers from across Stage 2 will be singing and playing a special musical performance, inspired by what we have learned about persistence and courage throughout the year. We hope that plenty of Stage 2 parents will be in the audience and help us celebrate another great year of learning.

Longneck Lagoon

Well done to all students who attended Longneck Lagoon last Monday. Students represented Ironbark well and had a great time solving their environmental mystery.

Drink Bottles and Hats. With the continual hot weather, please ensure that your student remembers to wear their hat, and to bring their water bottle to school. There are water bubblers they can top their bottles up with more water during the day.

Stage 2 Party Day

On December 13th 2019 Stage 2 will be having their end of year movie party day. Could all parents kindly ensure that when they have made invoice payments that they print off permission notes and return them to class teacher's.

2020 Year 4 Camp

Students in **Year 4 (2020)** will be attending a 2 night, 3 day camp to Broken Bay Sport and Recreation Camp on the Hawkesbury River from **Monday 23rd March to Wednesday 25th March 2020**. Final payment will be due in February 2020.

Stage 2 Sport

This term students are participating in three sporting sessions over the week. Mondays:
Stage 2 Fitness

Thursdays: Stage 2 Aerobics

Fridays: P.S.S.A or School Sport

Students are encouraged to wear their sports uniform on these days.

P.S.S.A

PSSA athletes are reminded that their final round of play is Friday the 22nd (week 6). Your coaches would dearly appreciate all jerseys being washed and returned as soon as possible the following week.

Have a good weekend!

Stage 2 Teachers

Stage 3 Snippets

We are officially half way through a very busy Term 4. The second half of the Term is extremely busy with teachers writing reports and preparing for end of year festivities and activities with the students.

As the weather warms up, all students are reminded of the expectation to have their hat at school and to wear it when outdoors. It is advisable that students have a water bottle that they can refill during the hotter weather.

Stage 3 have been busy learning about various types of informative texts. It has been a pleasure to see how students have written and presented their work using multimedia.

In their Science unit this term, students have been looking at the properties of materials and applying a fair test to a variety of experiments. Students have enjoyed testing the stretchiness of different materials, absorbency of materials and designing their own scientific enquiry question around sporting balls.

We look forward to the remaining weeks of term with your children!

Stage 3 Teachers

LIBRARY

Dear Parents / Carers,
As the term draws to a close, students need to bring back overdue books as we have to start preparing for end of year procedures.

Could you please start searching your bookshelves at home for all Ironbark Ridge School Library Books that have not been returned and send them back to school.

Thank you

Judy Paton
Rachel Bryce
Amelia Weekley

Dance Sport Championships

Last week 25 excited students across Stage 2 and Stage 3 headed out to Penrith Valley Regional Sports Centre to compete with 16 other schools in the Dance Sport Championships.

It is the first time our school has been involved in this event and not knowing what to expect, we were amazed by the electric atmosphere and the outstanding performances from our students. We felt like we were part of our own 'Dancing With The Stars'

Ironbark Ridge placed 5th overall in the competition which was a fabulous result and shows the dedication and hard work of all the teams who gave up their lunch times to practise each week..

In the individual couples events,

Stage 2

1st Place - Aiden. W and Zoe. W (Barn Dance)

3rd Place - Riley. N and Ashlee. W (Slow Rhythm)

Stage3

4th Place - Ansh. M and Sanjana. M (Cha Cha)

Congratulations to all our competitors, we are so proud of your achievements!

Thank you to all the wonderful parents who came out to support us on the day and participated in dances with their children. It was a lot of fun and we can't wait until next year!
