Dear Ironbark Ridge Public School Families,

The P&C at Ironbark Ridge Public School is a small, dedicated group of volunteer parents. Each year, as our school grows larger, it's becoming harder to get volunteers for the events that the P&C hold. As a result, the events held by the school have been scaled back, with a change in focus to "fun raising" community events, rather than fundraising.

Over the past few years, the P&C have been committed to providing funding in excess of \$30,000 annually for technology, literacy, maths and teacher resources. This helps the school provide essential equipment for the students that would not otherwise be available within the school's budget.

In addition, the P&C has helped fund fans and stage curtains for the school hall, the buddy chairs, a storage container, classroom furniture, playground art, the electronic sign and financial support for various groups within the school. There are also plans underway for a garden project later this year.

To alleviate some pressure from the P&C to run so many events while still providing resources for the school, the P&C Levy for the 2019 year is \$30 per student, and a discount for 3<sup>rd</sup> and subsequent students from the same family. The Levy will be included on the Term 3 account you receive from the school, and will go directly towards the resources. Although the levy is voluntary, we ask for your support and would like to thank you in advance for enabling us to continue supporting the School and enhancing the learning experience of the students.

If you have any questions or comments in relation to the levy, please come to the next P&C meeting, or I can be emailed via the school email address [executive@irpspc.com](mailto:executive@irpspc.com). All comments received will be put forward and discussed at the next P&C meeting.

Kind regards

Mishelle Young  
P&C President
