Last updated: April 5, 2023

School Bytes provides a parent portal to help your school communicate with you.

Your school may use the parent portal for various things, including online permission notes, attendance, and payments, which can be accessed via a secure link. The School Bytes parent portal enables you to view all your children in one portal and process payments for multiple siblings in one transaction.

IMPORTANT: To ensure that the registration process works smoothly and you can link your account to your child(ren), make sure that you use the same email address that you have provided to the school or if using a different email address, an SMS verification code will be sent to the mobile phone number on record for you at the school.

To set up your parent portal, follow the steps below:

Detailed steps

1. Open the parent portal link – <https://portal.schoolbytes.education/auth/login>

The image shows a mobile application interface for 'School Bytes'. At the top, there is a logo consisting of three blue cubes and the text 'School Bytes'. Below the logo, the text 'Register your account' is displayed in a dark font, followed by a blue horizontal bar. The main content area is a light gray rounded rectangle containing several input fields. The first input field is labeled 'First name' and is highlighted with a red rectangular border. Below it are four more input fields, each with a dark gray horizontal bar above it. At the bottom of the form is a large blue button with a white horizontal bar in the center.

4. Enter your last name as it appears on your student's profile at the school.
