SCHOOL BYTES UPGRADE

We are excited to announce our school has transitioned to an upgraded School Bytes finance system

What is the School Bytes portal

The School Bytes portal provides flexibility for you to conveniently:

- Make school payments online (including paying for multiple siblings at once)
- Use a family credit to pay for an activity or school contributions
- Download a receipt for payments made
- View all historical payments in one place
- Complete and submit digital permission notes
- View the status of all permission notes
- Request a refund if required
- Respond to absences and enter future absences

This can be done where you want at any time: day or night.

A School Bytes portal is now available for you to register and begin using (Link: https://portal.schoolbytes.education)

Through the portal, you will easily be able to download a receipt once a payment has been made and have access to view all historical payments when needed. Online payments are processed in real-time and can be viewed by school staff immediately.

While our preference is for payments to be made via the portal, we will still accept payment via cash.
